Senior Application for Early Graduation
Belgrade High School

Student’s Name ___________________________ DOB _____ / _____ / _____

Parent’s/Guardian’s Name(s) ___________________________

Early graduation is a serious matter for any student. It means that any person who seeks this alternative cannot take advantage of 1/8 of his/her public-funded education. Early graduation also means that a student becomes an alumnus of our school. This means that he/she may no longer participate in school related activities and he/she cannot expect any special consideration beyond those which are extended to any adult of the community. Early graduates may participate in graduation ceremonies if they comply with all school procedural expectations for participants such as graduation practice, payment of fees, adherence to the Student Codes of Conduct, etc.

Early graduate applicants should not have any attendance or behavior problems during the semester they are being considered for early graduation.

Early graduate applicants must do the following:
1. Attach a typed, detailed explanation of your post-secondary plans.
2. Meet with your counselor to complete the Progress Toward Graduation form on the reverse of this application.
3. Sign your completed application below then share it with your parent/guardian and have him/her sign it as well.
4. Return your complete application — with signatures — to the guidance office. You will then be contacted to meet with the BHS administration/counselor to review your application.

I understand that approval for early graduation is dependent upon successful completion of the necessary credits by the END of seventh semester. I understand the implications of early graduation and I choose to take advantage of early graduation.
