

To Parent(s) or Guardian(s) of 8th grade students,

As the end of the school year quickly approaches, we wanted to contact you in regards to your student's eligibility in the Belgrade Middle School's year-end ceremonies and activities. With the implementation of our V.I.P program this year it has been extremely beneficial & successful to our students "completing assignments & doing quality work". If your child has **ANY Incompletes or Missing assignments** in **ANY** of their classes and/or a total of 6 or more **F's** in **ANY** core classes, then she/he will be unable to participate in one or more of the following:

1. Participating in Virginia City Trip
2. Walking at Promotion
3. Attend the Dance

Your child has until the end of the day on Wednesday, May 30th to make up **ALL Incomplete or Missing assignments** they may have in 2nd, 3rd, and 4th Quarters in order to be eligible to participate in the activities listed above. If your child is unsuccessful at meeting the deadline, then they will be required to complete summer school.

You may check Infinite Campus to see which assignment(s) require completion. Please feel free to contact us regarding your child's eligibility and any questions you may have. We appreciate your assistance on this matter.

For Belgrade Middle School staff contact information, please visit the school website at www.bsd44.org. Click on the Middle School link and choose **Middle School Parents And Students** tab to access the **all staff directory**.

Sincerely,

Julie Mickolio
BMS Principal
