EQUAl EDUcation OPPORTUNITies
Belgrade Public Schools (School District #44) will make equal educational opportunities available for all students without regard to race, color, national origin, ancestry, sex, ethnicity, language barrier, religious belief, physical or mental handicap or disability, economic or social condition, or actual or potential marital or parental status, or, in accordance with binding guidance of the Federal Office of Civil Rights regarding the scope of Title IX’s sex discrimination prohibition, gender identity, sexual orientation, or failure to conform to stereotypical notions of masculinity or femininity. (School Board Policy #3210)

DIRECTORY INFORMATION
Regarding student records, federal law requires that “directory information” on a child may be released by the District to anyone who requests it unless the parent/guardian/caretaker relative objects in writing to the release of the information. This includes release of directory information to post-secondary institutions and military recruiters. Directory information ordinarily includes [insert directory information that is consistent with policies 3600P-3600F1-3600F2]. Please make sure a parent/guardian/caretaker relative completes the Student Directory Information Notification as found in the Student Handbook.

REQUIREMENTS FOR PARTICIPATION
All students participating in extracurricular activities must have the following prior to the first practice:
- A required physical documented on the official Montana High School Association (MHSA) Physical Form (at least for all MHSA sanctioned activities).
- An Assumption of Risk statement signed by the parent.
- A Permission to Participate form (sign-off).
- An updated Medical information form.
- A Concussion Education and Compliance form signed by the student athlete and parent.

PURPOSE OF HANDBOOK
The purpose of this guide is to establish rules, procedures, policies, and philosophy as it pertains to the Belgrade School District Athletic and Activities Programs. The fundamental purpose of the athletic/activities program is to facilitate development of:
- Sportsmanship,
- A sense of responsibility to themselves and others,
- A devotion to an athletic and/or activities assignment,
- Pride of accomplishment of a job done to the best of one’s ability,
- Sense of belonging to a group,
- Social values derived from contact with students and adults from other communities and
- Healthy behaviors of participants.

ACADEMIC ELIGIBILITY FOR PARTICIPATION
General Information Relating to Policies
Belgrade will follow the eligibility rules as set forth by the Montana High School Association which reads as follows:

1) MHSA Requirement: A student must be enrolled and have received a passing grade in at least twenty (20) periods of prepared class work or its equivalent in the last previous semester in which the student was in attendance. Failure to meet this requirement will result in one (1)
semester of ineligibility. Middle school students will be required to receive a passing grade in ten (10) periods of prepared work per week. A homeschool student is not eligible to participate for an MHSA member school. (Article II, Section (2) Eligibility, MHSA handbook)

2) No student who is enrolled in a grade below the ninth shall be eligible to participate in a MHSA Association Contest, except as established in Section (5) of the MHSA handbook.

3) Belgrade High School Requirement:
   A student must receive a minimum of a 2.00 GPA during the preceding quarter in which the student was in attendance. Failure to do so will render the student ineligible until the mid-term for the quarter. If the mid-term grade report indicates that he/she has not received a 2.00 GPA he/she will remain ineligible for the rest of the quarter. If his/her GPA is above a 2.00 GPA the student will become eligible immediately. This applies to transfer students also. Academically ineligible participants will be expected to practice, but will not be allowed to participate in games, meets, or performances or travel with the team or group.

4) Weekly “F” Policy:
   The Activities Office and the in-season coaches/advisors will print out an Activity Eligibility Report every Wednesday morning during the season. This report will show all participants with a failing grade in any classes. If a participant appears on this report, they will have one probationary week to pull up their grade from an “F” to a passing grade. If their name appears on the list the following week, in any class, they will be ineligible for participation in any activities until the following Wednesday when the next report is run. Students and parents should continually monitor “Infinite Campus” so they are aware of what their student athletes’ grades are in each class.

**ACTIVITIES PHILOSOPHY**

It is our philosophy that participation in co-curricular activities is an integral and vital part of the total educational program.

The clubs, activities, and athletics provided by School District No. 44 shall afford opportunities for students to involve themselves outside the classroom. Besides providing these programs, the District encourages student involvement because it benefits both the individual student and the school. The student derives cooperation, dedication, personal pride and ownership, sense of purpose, enhanced self-worth, loyalty, success and recognition, physical and social development, and a wholesome use of time.

Student interest leads to pride in school, citizenship, leadership, democratic experience, and character development. Teamwork, sportsmanship, and respect for others' rights and views are advanced.

Therefore, we believe it is the responsibility of the District to identify and maintain a mix of activities that motivates an optimum number of students without encroaching on one another. It is further incumbent upon the District to encourage participation by students for the above-mentioned reasons and their synergistic effect on the school community.

Finally, we believe that these activities are not an end in themselves, but vehicles to work with students. We want to "win" not for "winning's sake," but because the desire to excel is a worthwhile lifetime goal. We do not subscribe to a "winning at all costs" philosophy. We value the importance of good sportsmanship, giving one's best effort, winning humbly, and losing with grace. We believe it is not the score that makes one a "winner" or a "loser".

**ACCIDENT REPORT PROCEDURE**

All injuries are to be reported immediately to the coach/advisor/athletic trainer/activity director.
regardless of the nature of the injury. The coach/advisor/director will fill out an accident report form and file it in the principal’s office within one (1) school day of the accident.

**AWARDS CRITERIA**
Each program is given a small stipend to spend on awards for their season. These awards are handed out at the end of the seasons awards banquet.

**AGE RULE REQUIREMENT – MHSA**
*(Section (7) Age Rule 7.1)*
No student is eligible to participate in an Association contest who has become nineteen (19) years old on or before midnight, August 31, of a given year. Therefore, a student who becomes nineteen (19) years old after midnight, August 31, of a given year, will be permitted to compete in all Association contests throughout that school year, under the provisions of this section.

**ASSUMPTION OF RISK STATEMENT:**
The coach/advisor/athletic trainer/athletic director, any other member of the school staff, or any member of the Board of Trustees will not be held liable or responsible in case of an accident incurred during practice, games, meets, matches, tournaments, concerts, or trips supervised by Belgrade Public Schools. Each parent or guardian will be responsible to sign an “assumption of risk” statement indicating that the parents/guardians assume all risks for injuries resulting from such participation. *(Board Policy #2151)*

**ATTENDANCE THE DAY OF AN ACTIVITY (SCHOOL ABSENCES):**
Absences from school and participation in practices, games, meets or performances.

➢ If you are absent from school for a school sponsored event you can practice, play in a game, or take part in a performance that day.

➢ If you are absent from school for a limited number of periods for a medical, dental, optometrist, etc. appointment you can participate with approval from the administration (principal, vice principal, or the activities director). A written excuse from the doctor is required.

➢ You may attend practice, play in games, or participate in performances with administrative approval if absent for a court appearance, bereavement, a family emergency, or some other reason deemed acceptable by the administration.

➢ If you are home sick and do not come to school for all or part of the day or are absent from any class (excused or unexcused) you cannot practice, play, or participate in performances. It is not in the best interest of our participants to be practicing when sick.

➢ If you are in school but are absent from class for reasons deemed unexcused, you may not participate in games, practices, or performances that day.

➢ **School Suspension:** School suspension means the exclusion of a student from attending individual classes or school and participating in school activities for an initial period not to exceed ten (10) school days. This will be treated as an unexcused absence from the activity. *(School Board Policy #3300)*

This policy is in effect each school year from the date of the signature in the signature booklet stating the contents of the booklet have been read until the last day of school or activities, whichever is later. Violations are cumulative, through the student’s period of attendance in grades 6-8 and in grades 9-12. The Administration shall publish the participation rules annually in the activities and student handbooks.

Chemical Use Policy/ Violations

Middle School: The accumulation of offenses starts in fifth grade and continues through the eighth grade

High School: The violation count starts anew upon entering the freshman year and continues through the participant’s senior year. Students will be dropped from participation if they receive three violations during this time period. Students who are found in violation of the chemical use policy at a school-sponsored event or on school sponsored trips will be disciplined under the provisions of the school discipline policy as well as the activities policy.

The activities director and principal will meet with the student and his/her parents/guardians to determine appropriate action. Students eligible for reinstatement will be suspended for a minimum of ninety (90) business days that overlap the days allowed for activities. The ninety (90) business days will be carried over to the next school year.

Student and Parent/Legal Guardian Due Process:
If a determination is made that a student has violated this policy, the student and parent/guardian shall be notified of the violation by telephone and mail. Also at this time, the student and parent or guardian shall be notified of the type of discipline that will be administered or recommended to the Board. Any parent or legal guardian and student who are aggrieved by the imposition of any action (other than a recommendation for exclusion from an activity) shall have the right to an informal conference with the principal, for the purpose of resolving the grievance. At such a conference, the student and the parent shall be subject to questioning by the principal, and shall be entitled to question staff involved in the matter being grieved.

If the discipline involves a high school student and the recommended discipline is exclusion from participation in extra- and/or co-curricular activities for a period in excess of ten (10) days, the parent and student will be notified of the date and time the Board will consider the recommendation. 1) Emphasize the proper ideals of sportsmanship, ethical conduct and fair play.
2) Eliminate all possibilities which tend to destroy the best values of the activity.
3) Stress the values derived from participating in activities.
4) Show cordial courtesy to visitors and officials.
5) Respect the integrity and judgment of sports officials.
6) Achieve a thorough understanding of the activity and its rules.
7) Encourage leadership and good judgment.

9) Remember ... no competition is a matter of life or death for participants, coach, school, official, fan or community.
10) Keep an open line of communication between participant and coach/sponsor.
11) Hazing, harassment, bullying, intimidation on the part of students, staff, or a third party (fan or student attending event) will not be tolerated. Activities are an extension of the classroom and a violation will be treated as such and dealt with as stated in the student and staff handbooks.
12) Realize that your failure as a student participant to abide by the code of ethics may result in your removal from the event, activity, and/or disciplinary action.
13) Students, who participate in athletics and/or activities where a student receives an award or advances as an individual or as part of team through levels of interscholastic competition, will be part of the drug testing program as outlined in Belgrade Schools Policy.

CONCUSSION EDUCATION AND CONCUSSION COMPLIANCE FORM:
All participants and their parent/guardian must initial all the required information on the concussion form and have it completed before the student may begin practice.

A Fact Sheet for PARENT

WHAT IS A CONCUSSION?
A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.
You can’t see a concussion. Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

WHAT ARE THE SIGNS AND SYMPTOMS OF A CONCUSSION?

**Signs Observed by Parents or Guardians**
*If your child has experienced a bump or blow to the head during a game or practice, look for any of the following signs and symptoms of a concussion:*
- Appears dazed or stunned
- Is confused about assignment or position
- Forgets an instruction
- Is unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Loses consciousness (even briefly)
- Shows behavior or personality changes
- Can’t recall events prior to hit or fall
- Can’t recall events after hit or fall

**Symptoms Reported by Athlete**
- Headache or “pressure” in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Sensitivity to light
- Sensitivity to noise
- Feeling sluggish, hazy, foggy, or groggy
- Concentration or memory problems
- Confusion
- Does not “feel right”

HOW CAN YOU HELP YOUR CHILD PREVENT A CONCUSSION?
Every sport is different, but there are steps your children can take to protect themselves from concussion.
- Ensure that they follow their coach’s rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Make sure they wear the right protective equipment for their activity (such as helmets, padding, shin guards, and eye and mouth guards). Protective equipment should fit properly, be well maintained, and be worn consistently and correctly.
- Learn the signs and symptoms of a concussion.

WHAT SHOULD YOU DO IF YOU THINK YOUR CHILD HAS A CONCUSSION?
1. **Seek medical attention right away.** A health care professional will be able to decide how serious the concussion is and when it is safe for your child to return to sports.
2. **Keep your child out of play.** Concussions take time to heal. Don’t let your child return to play until a health care professional says it’s OK. Children who return to play too soon—while the brain is still healing—risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
3. **Tell your child’s coach about any recent concussion.** Coaches should know if your child had a recent concussion in ANY sport. Your child’s coach may not know about a concussion your child received in another sport or activity unless you tell the coach.
Remember, when in doubt, sit them out!
It’s better to miss one game than the whole season.

Be Prepared
A concussion is a type of traumatic brain injury, or TBI, caused by a bump, blow, or jolt to the head that can change the way your brain normally works. Concussions can also occur from a blow to the body that causes the head to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be mild bump or blow to the head can be serious. Concussions can occur in any sport or recreation activity. So, all coaches, parents, and athletes need to learn concussion signs and symptoms and what to do if a concussion occurs.

CORPORAL PUNISHMENT
(Discipline and Punishment of Pupils M.C.A. 20-4-302)
No District employee or person engaged by the District may inflict or cause to be inflicted corporal
punishment on a student. Corporal punishment does not include reasonable force District personnel are
permitted to use as needed to maintain safety for other students, school personnel, or other persons or
for the purpose of self-defense.

CUT POLICY
If your program involves selections or “try-outs” for the team, there will be no “selections” until there
have been at least 2 days of practice.

This can be one of the most difficult decisions a coach has to make but, good communication between
coach, athlete, parents, and Activities Director can prevent a lot of problems.

Individual coaches will develop their criteria for selection of those participants who will be placed on
a team and those who will not be placed on a team. These criteria will be made known to
participants at the beginning of their season. These criteria may be more stringent than the baseline
requirements contained in this handbook. The Activities Director prior to implementation will
approve all team selection criteria.

A. Participant Selection Policy: In some activities, only a limited number of participants will be
possible. Selections or auditions will occur and some participants will not be included on teams or
selected for positions or roles. Coaches/advisors/director(s) are charged with the following
responsibilities relating to these decisions:
1. The coach/advisor/activity director is responsible for making decisions about who is selected,
keeping those participants who give the group the best chance of success.
2. The coach/advisor/activity director has the responsibility to meet with each participant who is
not selected and explain the reasons for the decision.
3. The coach/advisor/activity director has the responsibility to meet with parents who would like
to discuss a selection decision. The coach/advisor/director will not meet with a parent until a
24-hour waiting period is observed. A 36 to 48 hour wait is recommended.

DISTRICT/BUILDING GENERAL OFFICE HOURS
Main Office hours are: Monday-Thursday 7:30 A.M. – 4:30 P.M. Friday 7:30 A.M. – 3:30 P.M.

At 8:35 A.M. the doors will be locked. The only unlocked doors will be the front main entrance doors by
the main office. There is a phone in the main office for students’ use. The purpose of this phone is
strictly for parental/guardian contact. When parents/guardians call the school, messages will be taken
for a return call during non-instructional time. If it is an emergency, a student will be pulled from class.
We do not relay messages from non-parents calling for non-family business, nor do we acknowledge
that the student attends this school for privacy and safety reasons.

DRESS AND GROOMING
Dress for Activities
Coaches/sponsors/advisors are hereby encouraged and authorized to establish exemplary standards and
practices in fashion, grooming and taste that will tend to enhance the appearance of the group as a
whole. Such standards and/or practices must be of a reasonable nature, appropriate to the group’s
activity and reflect positively on the image of the group and school. Further, these standards and/or
practices must be made known to all potential members at the beginning of the activity season for that
group (or sooner if possible).
HOMELESS STUDENT RIGHTS
Our school and school district provide equal access and comparable services to all students. A homeless student’s residence is determined by the residence of the parent/guardian. A homeless student must meet all MHSA eligibility criteria for participation in any MHSA sanctioned activity. Contact the school districts Homeless Liaison and Activity Director for further assistance.

INSURANCE AND INJURY
The School District does not provide accident or medical insurance coverage for students. Student/athletes must provide proof of health insurance. If the student/athlete does not have current health insurance the district has cooperated with K & K Insurance to provide families with an option to purchase health coverage for the duration of the sport season or school year. If insurance is not purchased through this provider, families must purchase coverage and provide proof of coverage through another provider. If the family chooses to sign up with K & K Insurance the enrollment link is www.studentinsurance-kk.com

MEDICAL INFORMATION  
(Updated Annually)
MEDICAL TREATMENT/RELEASE FORM can be found in the Signature Booklet

MEDICATION POLICY
Administering medicines to Students/Athletes
(School Board Policy #3416)
Belgrade School District recommends that medication be given at home whenever possible. Students requiring medication shall be identified by parents and/or physician and will be encouraged to notify coach/sponsor or Activities Director. Under no circumstances will school personnel provide aspirin or other patient’s medication to students.

PARENT MEETING
Parents/guardians and students participating in an activity are required to attend an informational meeting to discuss the activities policy. Parents are required to attend only one of these meetings per year, even if they have more than one child participating in more than one activity. This meeting will be held before the first practice session. If parents are unable to attend the regularly scheduled meeting, a Powerpoint presentation will be made available up to the week before the teams’ first competition.

PARTICIPATION FEE
(Districts Collection & Tracking)
A participation fee will be assessed to ALL students participating in middle school and high school activities. Fees will be assessed for each activity the student/athlete participates in. Fees will be as follows:

<table>
<thead>
<tr>
<th></th>
<th>Middle School $50.00</th>
<th>High School $65.00</th>
</tr>
</thead>
</table>

**NOTE** Any student unable to pay the participation fee due to financial constraints is encouraged to contact the Activities Director or building principal to make arrangements for an alternative method of payment of fees (ex. installment payments, work/participation, scholarships ). It is important to understand that Belgrade Public Schools will make every effort to see that no student is eliminated from participation in activities due to financial constraints.

All students participating in high school athletics will be required to pay a fee of $65.00 per MHSA competitive activity and $35 per non-athletic activity (manager, band, choir). The money raised from this fee helps with the financial support of the activity that the student benefits from, though it pays for only a small portion of the actual expense of the activity. (Scholarships are available. Please inquire at the Activities Office.)

An athletic fee will be assessed to all 5th-12th grade students who choose to participate in any athletic activity (basketball, cheer, cross country, football, golf, softball, soccer, speech, drama, debate, tennis, track, volleyball and wrestling). An individual athlete will be charged $65 for each sport in high school and $50 for each in middle school grades 7-8 and $25 for grades 5-6. The athletic fee must be paid prior to any participation by students. The Activity Fee will be waived for those qualifying for free lunch. A scholarship application must be filled out with the Activities Office.
PHYSICAL EXAMS

(MHSA Form)
(MHSA Handbook: ARTICLE II Section (3) Physical Exam)

A physical examination is required for each student in order to be considered eligible and to be approved for participation in an Association Contest. Physical examinations must be completed prior to the first day of practice. This examination must be certified by a licensed medical professional acting within the scope and limitations of his/her practice. This certification is valid for a period of one school year. A physical examination conducted before May 1st is not valid for participation the following school year. The physical examination form developed by the MHSA Medical Advisory Committee and approved by the MHSA Executive Board must be used. A current form may be obtained from the school office or from the medical office giving the physical.

A physical examination is required for each student in order to be considered eligible to participate in an association contest. This exam must be certified by a medical doctor for the current school year." (MHSA Handbook Article II Section III). The cost of the physical exam is the responsibility of the student athlete and his/her parents.

SCHOOL SPONSORED TRIPS

Student participation on intra and extracurricular trips is subject to eligibility requirements. (See Activity Eligibility.) Students participating in school sponsored trips, whether for the day or overnight, are regarded by Belgrade School and the public as representatives of the school system. As representatives of the school system, public image is projected by the conduct, the attitudes and the reputations of those students who take a leading role in intra- and extra-curricular activities. Therefore, student participants must comply with rules of the school system, the rules of their coaches or advisors, and the civil laws of society.

Student conduct on any school sponsored trip that does not adhere to the reasonable standards established will be dealt with in a timely manner by the coach/advisor and administration. Student misbehavior on school sponsored trips may lead to student suspension from participating in school sponsored trips. Parents will be notified of any incident concerning their child on a school sponsored trip by the coach/advisor and/or administration.

Opportunities may occur for junior high students to attend high school co-curricular, intracurricular and/or extracurricular overnight events. Consideration for approval will be made on a case by case basis by administration at the request of the advisor or coach. And additional chaperone may be required in the event that junior high and high school students are traveling together overnight.
SPORTSMANSHIP
(MHSA Handbook (p. 26-27) Section (33) Sportsmanship Guidelines)

A. Statement of philosophy: The Montana High School Association has established policies, expectations and responsibilities which will cultivate the ideals of good sportsmanship. It shall be the responsibility of each member school to ensure that all individuals employed or directly associated with the interscholastic program conduct themselves in a sportsmanlike manner. The coach represents the school at interscholastic athletic activities. It is the responsibility of the head and assistant coaches to serve as role models for students and the public.

B. Code of Conduct: A student will be in violation of the standards for good sportsmanship established by the Montana High School Association by:
   1. Making degrading/critical remarks about officials during or after a contest either at the competition site, from the bench, in the locker area or through any public news media;
   2. Arguing with officials or going through motions indicating dislike/disdain for a decision;
   3. Detaining the officials following a contest to request or argue a ruling or explanation of actions by the official;
   4. Being ejected from a contest;
   5. Physically assaulting an official.

C. Parents/Spectators: Family members and fans of Belgrade High School student/athletes agree to serve as positive role models, treat all involved with respect, and be supportive and encouraging. There will be no tolerance of unsportsmanlike behavior. If such behavior occurs this person(s), will be asked to leave immediately and may lose permission to attend future events.

STUDENT SIGN OUT
(Protocol when students request to leave site)
Students are not permitted to leave the facility in which their coach/sponsor is present without specific permission from their coach/sponsor in advance of the student’s departure. When permission is granted to leave the facility by the coach/sponsor, the student(s) must sign out with the coach/sponsor when leaving and sign back in upon their return.

SUSPENSION OR EXCLUSION FROM TEAM
(Who makes the call)
Dismissal of any student from a co-curricular activity needs to be brought to the attention of the Activities Director in a timely fashion.

STUDENT AND PARENT/LEGAL GUARDIAN DUE PROCESS
If a determination is made that a student has violated this policy, the student and parent/guardian shall be notified of the violation by telephone and mail. Also at this time, the student and parent or guardian shall be notified of the type of discipline that will be administered or recommended to the Board.

Any parent or legal guardian and student who are aggrieved by the imposition of any action (other than a recommendation for exclusion from an activity) shall have the right to an informal conference with the principal, for the purpose of resolving the grievance. At such a conference, the student and the parent shall be subject to questioning by the principal, and shall be entitled to question staff involved in the matter being grieved.

If the discipline involves a high school student and the recommended discipline is exclusion from participation in extra- and/or co-curricular activities for a period in excess of ten (10) days, the parent and student will be notified of the date and time the Board will consider the recommendation. Only the board can exclude a high school student from participation in extra- and/or co-curricular activities.

The only exception will be a written request by a parent for their son/daughter to ride with THEM to/from the activity. The parents must SEE the coach/sponsor and sign a release at the time of the request. If for some reason, the parent may want the student to LEAVE an activity with someone other than themselves, a request must be made in writing PRIOR to the scheduled activity and must be pre-approved by the activities director or another Belgrade Schools administrator.

Any person providing transportation for student activity members, with a specific request from the parent as previously outlined, must meet one of the following qualifications:
An immediate family member; sister/brother, grandparent, and/or adult 21 years or older. This person(s) must SEE the coach/sponsor and sign the student out prior to leaving the activity.

TRANSPORTING STUDENTS WITH PERSONAL VEHICLE

Use of Private Vehicles for District Business
The use of private vehicles for district business, including the transportation of students, is generally discouraged. Staff members should use district-owned vehicles whenever possible, scheduling activities and other transportation far enough in advance to avoid any non-emergency use of private vehicles. No staff members may use a private vehicle for district business without [written] permission from the [building principal]. Before transporting any students, the owner of any private vehicle must provide proof of sufficient liability insurance, current registration and a current Montana driver’s license. A driver may only transport the number of students as there are seat belts in his/her vehicle.

TRANSPORTATION TO/FROM CONTESTS

Parents, employees, and other designated adults may be permitted to use private vehicles to transport students other than their own on field trips or other school activities only with prior [building principal] approval. Before transporting any students, the owner of any private vehicle must provide proof of sufficient liability insurance, current registration and a current Montana driver’s license. A driver may only transport the number of students as there are seat belts in his/her vehicle.

No student is to be permitted to perform district business with his/her own vehicle, a staff member’s vehicle, or a district-owned vehicle.
TRANSPORTATION TO/FROM PRACTICE (CO-OPS)

1. Practice: It will be the sole responsibility of the visiting school to ensure that students are transported to practice. School personnel must transport the students. Any Volunteer that is transporting students must be cleared through policy. At no time are students to themselves to/from practice. 2. Each school will be responsible for all costs for transporting the students to and from practice.

3. All additional transportation costs will be split 50/50.

4. Students are not allowed to ride to or from competitions with anyone but their own parents or guardians. They may ride with their parents or guardians only if they have asked for and been granted permission by the Administration by providing a note requesting permission to ride with parents, to the Activities office prior to the trip. Exceptions can be made on a case by case basis by the Head Coach/Coach during a competition/away game if proper documentation is received to the Head Coach/Coach.

The Board authorizes the use of video cameras on District property to ensure the health, welfare, and safety of all staff, students, and visitors to District property and to safeguard District buildings, grounds, and equipment. The Superintendent will approve appropriate locations for video cameras.

I understand that the Belgrade High School Coaching Staff will take all reasonable precautions to insure that the risk of injury to their athletes is minimized. However, even though these precautions are taken there is still a chance of injury, and in rare instances even severe injury and death. I have been informed of these risks, understand them, and feel that the benefits of participation outweigh the risks involved. My signature below gives my child permission to participate in a Belgrade High School Activity.

The School District DOES NOT provide medical insurance benefits for students who choose to participate in activities programs. Because of the passage of the Dylan Steiger’s Protection of Youth Athletes Act, schools are required to distribute information sheets for the purpose of informing and educating student-athletes and their parents of the nature and risk of concussion and head injury to student athletes, including the risks of continuing to play after concussion or head injury. Montana law requires that each year, before beginning practice for an organized activity, a student-athlete and the student-athlete’s parent(s)/legal guardian(s) must be given an information sheet, and both parties must sign and return a form acknowledging receipt of the information to an official designated by the school or school district prior to the student-athletes participation during the designated school year. The law further states that a student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from play at the time of injury and may not return to play until the student-athlete has received a written clearance from a licensed healthcare provider.
